It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities</i>
QIM	

Qualitative analysis of Criterion 6

All the efforts of the college are channelised towards achieving the vision and mission for empowering social and economically backward section of the entire southern part of Nagaon District of Assam through quality and value based education. Being a provinced Government college, it is governed by rules and regulation of UGC, DHE, Assam, Parent University and Governing Body of the college. Principal is the head of the institution who is assisted by a large number of committees formed with members of faculty and students for the smooth running of academic and Co-curricular activities. IQAC plays a vital role in the college functioning and development. Action plans for important activities are chalked out in IQAC meetings and progress is monitored.

The Governing Body and CDC play very crucial role in overall decision making process. The college has taken various welfare measures for its employees in form of granting all types of leaves, retirement benefits, FDP, mutual fund and other support facilities. Internal audit is conducted through a Chartered Accountant appointed by the college and external audit is carried out by the Auditor General of Assam. Feed back of all the stakeholders is collected, analysed and appropriate action is taken, if necessary. Qualitative analysis of Criterion 7

The college is situated in sub - urban areas. The campus is under CCTV Surveillance. The college gate is regulated by a gatekeeper. Solar panels are installed through which the college is lighted. The college has provided facility of separate boys and girls rooms. Women cell takes initiatives for the safety and security of girl students. To promote inclusiveness among the students, college has formed Minority Cell, SC & ST cells, Gender Sensitization and Complaint Cells etc. To inculcate moral values, unity and integrity, college celebrates most of the festivals and days like Bihu, Post Eid Period, Christmas and Holi Day, Republic Day,

Independence Day, Martyrs Day, Constitution Day, Human Rights Day, etc. as per the directions of State Govt. affiliating University and regulatory bodies. A uniform dress code is applicable for girl and boys students.

Clean and Green Campus

The college is located on the bank of river. So it has sufficient amount of greenery in and outside the campus. But because of use of college as quarantine centre during COVID-19 and flood relief camp of 2022 greenery & cleanliness of the college is destroyed a lot. The students of the college, NCC, NSS volunteers and Green Club members have given substantial contribution in Cleaning & plantation program.

Changing the Conventional Teaching - Learning Process

Use of Information Communication Technology in the teaching - learning process has become the need of the hour. So the college has focused on use of ICT tools. Series of efforts are taken by the college for training the students to using these techniques.

Institutional Distinctiveness

Making an Inclusive and Empowered Society in Kampur (MIESK)

The surrounding area of Kampur college is covered by hills & river. Main occupation of the people is agriculture or farming. The numbers of SC, ST and OBC people are dominant. The college is striving hard to uplift their academic and economic conditions. The college has organized many awareness programs such as cutting and knitting, weaving, farming, entrepreneurship etc. Young students are motivated for higher education and defence services.

Section III:OVERALL ANALYSISBased on Institutional strengths,Weaknesses,Opportunities & Challenges(SWOC)(up to 500 words)

Overall Analysis

Strength:

- 1) Adequate campus area which is sufficient for future expansion.
- 2) Enrolment of girl students' is high
- 3) Establishment of Pleasure Reading Corner by Department of English.
- 4) Empowering girl students through short and add-on courses
- 5) Efforts for preservation of cultural and regional diversity through IKS.
6. Commendable efforts for supporting flood affected areas in the domains of Higher education and other activities.

Weaknesses:

1) Non-availability of UG commerce and science education as well as PG courses.

2) Less add-on and skill oriented courses.

3) Drop out ratio is high.

4) Poor research and publication work.

5) Non functioning placement cell.

6) Poor passing percentage.

7) Poor hygiene conditions in toilets.

Opportunities:

1) Introduce UG commerce and science and some of the PG courses in Arts.

2) Commencement of new add-on and skill oriented courses like Tally, GST, Spoken English, Tourism and paramedical courses.

3) Full automation of library and office.

4) Strengthening of Placement Cell

5) Research Grants from various Government agencies taking the advantage of region.

Challenges:

1) Very few job opportunities for graduates in surrounding areas

2) Retaining the students up to their graduation.

3) Age of the college and development do not go hand in hand.

4) Introduce self finance courses

5) Need to follow the principle "Chess quality quantity will chase you."

Section IV: Recommendations for Quality Enhancement of the Institution

(Please limit to **ten major ones** and use telegraphic language) (It is not necessary to indicate all the ten bullets)

- College should take initiative to introduce Commerce & Science UG and PG courses in Arts.
- Creation of a Corpus Fund for "Earn and Learn Scheme" is needed.
- Formation of efficient and functional Placement Cell.
- Hostel facility for Boys and Girl students to be made available.
- Introduce Add-on / Certificate courses as Tally, GST, Soft Skill, Event Management, Tourism, paramedical sciences, research and Publication ethics, Gender Sensitization etc.
- Regular Assessment and Accreditation is necessary to update and develop the college.
- Extra efforts are needed for enhancing results and minimizing drop-out rate
- Recruit more teachers and non teaching staff.
- Establishment of Language Lab.
- Efforts must be there from teachers to get funding for their research from various funding agencies

Sub: Provisional permission to set up GUCDOE Study Centre
Ref: Your letter No: KMPC/GUCDOE/KC/2023/292 dated 20.09.2023

Dear Principal,

With reference to your application for opening Study Centre in your college. I am glad to inform you that the Honourable Vice Chancellor, Gauhati University has approved to set up a Study Centre under Gauhati University Centre for Distance and Online Education (GUCDOE) in your college. The Study Centre will be governed by the 'Guidelines and Working Manual' of GUCDOE for the Study Centers and Rules & Regulations specified by GUCDOE from time to time. You are therefore requested to fulfill the following terms and conditions:

- 1) Pay an amount of Rs. 2000/- (Rupees two thousand) only at the earliest towards permission fee to the Gauhati University CDOE.
- 2) Appoint a permanent faculty of your college as 'Coordinator' to look after various GUCDOE activities of your center and send a copy of appointment letter to the undersigned at the earliest.
- 3) Programmes that can be offered by your study centre:
 - i) PG or UG (Honours/Major) programmes (out of our list of UGC recognized PG programmes) running in your college in conventional mode for at least 3 (three) years under Gauhati University may offers PG programme in the same subject under GUCDOE.
 - ii) No IT programmes can be offered by your study centre until an inspection done by a team of expert from GUCDOE/Gauhati University. For running IT programmes, there should be adequate Laboratory facilities with full time faculty support.
- 4) Submit an undertaking to GUCDOE duly signed by the Principal, to the effect that the college will abide by all Guidelines, Rules and regulations laid down by Gauhati University CDOE and Gauhati University for the purpose.
- 5) Learners Support Centre does not necessarily mean an Examination Center. Examination Centre under GUCDOE will be allotted in due course of time on receipt of application from concerned LSC.

Gauhati University CDOE issues advertisement for admissions in prominent local dailies. The Study Centers may issue their own advertisement without contradicting the main advertisement issued by the Gauhati University CDOE from their funds.

Please be informed that Gauhati University CDOE reserves the right to discontinue a study centre at any point of time.

Thanking you.

Subject: Application for seeking GUCCOE Examination Centre at Kampur College

Respected Sir,

With due respect, I would like to state that the students enrolled under GUCCOE at Kampur College are facing considerable difficulties in appearing for their examinations due to the absence of a nearby examination centre. It is worth mentioning that there is no examination centre within a radius of approximately 30 kilometers from Kampur College. As a result, students have to travel long distances, which creates inconvenience and hardship, particularly for those from rural and economically weaker sections.

In this regard, I humbly request you to kindly consider establishing an examination centre at Kampur College. The college authority is fully willing to take responsibility for all necessary management procedures related to the conduct of examinations, ensuring proper facilities, discipline and smooth administration.

I sincerely hope that you will consider this genuine request and take necessary steps at the earliest for the benefit of the students.

Thanking you,

Yours faithfully

KAMPUR COLLEGE, KAMPUR, NAGAON, ASSAM

POLICY FOR CORPUS FUND FOR EARN AND LEARN SCHEME

w.e.f. March, 2026

1. Preamble

Kampur College is committed to promoting inclusive, equitable and student-centred higher education. Recognising that financial constraints can adversely affect the educational participation, retention and overall development of students from economically disadvantaged and marginalised backgrounds, the College seeks to establish an institutional mechanism through which eligible students can receive opportunities to earn a modest income while continuing their studies.

In this context, and in keeping with recommendation provided by the NAAC, the College has decided to establish a Corpus Fund for the "Earn While Learn" Initiative. The initiative is intended to provide bonafide students, particularly those facing financial hardship and belonging to marginalised or disadvantaged sections, with suitable part-time institutional work opportunities that do not adversely affect their academic engagement.

2. Name of the Fund

The fund shall be known as the "Corpus Fund for Earn and Learn Scheme". Hereafter, it shall be referred to as the Corpus Fund or Earn While Learn Fund.

3. Institutional Background and Initial Establishment

A committee was constituted by the College as per resolution of the meeting dtd, 04/10/2024, with the following members to examine and suggest the modalities for the initial establishment of a corpus fund to support the "Earn While Learn" initiative:

Deep Kalita, Assistant Professor

Debasis Saikia, Assistant Professor

Parul Bhuyan, Assistant Professor

Dr. Montu Chetia, Assistant Professor

Dr. Nurul Hassan, Assistant Professor

The Committee recommended that the initial corpus may be created through:

- contribution from suitable institutional funds available with the College, including permissible mutual-fund/institutional fund resources, wherever applicable; and/or
- allocation from the College Fund, subject to institutional rules and approval of the competent authority.

Based on the recommendations of the Committee, the College has initially sanctioned ₹20,000/- (Rupees Twenty Thousand only) from the Examination Fund as the initial corpus for the establishment of the Earn While Learn Fund, subject to applicable financial rules and institutional approval. The initial contribution shall form the foundation of the Corpus Fund and may be augmented subsequently through additional institutional allocations and other permissible sources.

4. Constitution of the Management Committee

A Committee for Corpus Fund for Earn and Learn Scheme was constituted with the following members for the management, administration and maintenance of the Corpus Fund has been:

Principal	: Chairperson
IQAC Coordinator	: Member Secretary
Teacher Member(s)	: Dr. Kushal Taid Dr. Bhalindar Singh Mr. Seuj Pratim Borah
Finance/Accounts representative	: Jyoti Rekha Kalita

The Principal may nominate additional members whenever necessary. The composition of the Committee may be reviewed by the College from time to time.

5. Vision

To promote an inclusive and supportive educational environment in which students facing financial difficulties can continue their higher education while developing work habits, responsibility, practical skills and institutional engagement through meaningful part-time work.

6. Objectives

The major objectives of the Corpus Fund are to:

- provide limited financial assistance to bonafide students through suitable Earn While Learn opportunities;
- support students belonging to economically disadvantaged and marginalised sections of society;
- reduce the likelihood of discontinuation of studies due to financial hardship;
- promote student retention and completion of higher education;
- provide students with opportunities to develop practical, organisational, communication and other employability-related skills;

- encourage dignity of labour, responsibility and self-reliance among students;
- facilitate constructive student participation in suitable institutional activities;
- ensure that financial assistance is provided in a transparent, equitable and need-based manner; and
- strengthen the College's commitment to inclusive and student-centred quality enhancement.

7. Guiding Principles

The administration of the Corpus Fund shall be guided by the following principles:

6.1 Preference shall be given to students experiencing genuine financial hardship, particularly those from marginalised and disadvantaged backgrounds.

6.2 Selection shall primarily be based on demonstrated financial need and the student's academic status rather than social or personal connections.

6.3 Participation in the Earn While Learn scheme shall not be allowed to interfere substantially with the student's classes, examinations or other essential academic responsibilities.

6.4 The scheme shall provide meaningful and dignified institutional work and shall not involve exploitative, hazardous or inappropriate work.

6.5 Selection, assignment of work, payment and utilisation of the Corpus Fund shall be documented and subject to institutional scrutiny.

6.6 All financial transactions shall be properly recorded and maintained in accordance with the applicable financial procedures of the College.

8. Eligibility Criteria

A student seeking assistance under the Earn While Learn scheme shall ordinarily satisfy the following conditions:

- The applicant must be a bonafide student of Kampur College.
- The student must be enrolled in an undergraduate programme of the College during the period of engagement.
- Preference shall be given to students experiencing genuine financial hardship.
- Preference may be given to students belonging to economically disadvantaged, marginalised or otherwise vulnerable sections.
- The student must maintain reasonable academic participation and comply with the rules of the College.
- The student must be willing to undertake the assigned work responsibly.
- The student must submit the required application and supporting documents.
- A student shall not normally be permitted to undertake work under the scheme if such work is likely to adversely affect his/her regular academic responsibilities.

- Eligibility shall not automatically confer a right to financial assistance. Selection shall depend upon the availability of funds and the assessment of need and suitability.

9. Nature of Work

The Committee may identify suitable institutional activities that can be undertaken by students on a part-time basis. Possible activities may include, subject to institutional requirements and the student's suitability:

- assistance in library-related activities;
- support in documentation and record organisation;
- assistance in digitisation and data entry;
- support in departmental or IQAC documentation;
- assistance in organising institutional events and academic programmes;
- support in maintaining selected institutional information resources;
- assistance in student-support activities;
- support in ICT-enabled institutional activities;
- assistance in campus awareness and outreach activities; and
- other appropriate non-hazardous institutional activities approved by the Committee.

The College shall ensure that assigned work is appropriate for students and does not substitute for regular sanctioned posts or involve duties that should ordinarily be performed by appointed employees.

10. Working Hours

The work assigned under the scheme shall be undertaken on a part-time basis. The Committee shall determine the permissible working hours according to:

- the nature of the assigned work;
- the student's academic timetable;
- institutional requirements; and
- the amount of fund available.

Students shall not be required to undertake work during scheduled classes or examinations except where specifically permitted for an appropriate institutional activity.

11. Selection and Identification of Beneficiaries

11.1 Eligible students may apply to the Committee in the prescribed format. The application may require information regarding:

- personal and academic details;
- family background;
- financial circumstances;

- reason for seeking assistance;
- nature of work preferred, where applicable; and
- supporting documents as considered necessary.

11.2 The Committee shall assess applications on the basis of:

- financial need;
- socio-economic circumstances;
- academic status and regularity;
- nature and extent of hardship;
- suitability for the proposed work; and
- availability of funds and work opportunities.

11.3 The Committee shall prepare a list of selected students and recommend the same to the competent authority for approval. Where necessary, the Committee may maintain a waiting list so that opportunities can be offered to other eligible students if funds or work opportunities become available.

12. Corpus and Sources of Funds

The Corpus Fund may be augmented through permissible institutional and external sources, subject to approval and applicable rules. Possible sources may include:

- additional allocation from College funds;
- permissible institutional fund contributions;
- donations from alumni and well-wishers;
- contributions from individuals or organisations, subject to institutional approval;
- grants or assistance received for student-support activities, where permissible;
- interest or other lawful income generated from the Corpus, where applicable; and
- other permissible sources approved by the competent authority.

Any external contribution shall be accepted only in accordance with applicable institutional, financial and statutory provisions.

13. Annual Report

An annual report on the Corpus Fund shall be prepared by the Member Secretary and placed before the appropriate institutional authority.

The report may include:

- opening corpus;
- additional contributions;
- number of beneficiaries;
- nature of work undertaken;

- amount disbursed;
- closing balance;
- outcomes and observations;
- challenges encountered; and
- recommendations for the subsequent academic year.

Where appropriate, relevant information may be incorporated into institutional quality assurance and annual reporting processes.

Sub: Invitation to be the Esteemed Guest

Dear Professor,

Season's Greetings.

Swavalambi Bharat Abhiyan is a combined social initiative under the leadership of Swadeshi Jagaran Manch with the support of more than eighteen organizations. It started this social initiative from the year 2022 and is currently involved in Entrepreneurship and Skill development with a special focus on North East India. Over a period of time, the initiative has been conducting skill development programs for livelihood, workshops in various domain sectors like awareness on various self employment schemes of both State & Central Government, development of management skills, technical skills including conferences on a PAN India level.

For achieving in creating the ecosystem for the Startup & Entrepreneurs, District Rojgar Generation Centre under Swavalambi Bharat Abhiyan is being setup in every district of North East. We are also started facilitating creation of Rojgar Generation Centre in collaboration with all the higher education institutions in all districts of the region, for providing the entrepreneurship development support of the graduate students and youths. It is an initiative to promote an environment towards the development of Startups & Entrepreneurs including agro-horticulture sector, affordable housing, mini urban clusters, tourism, education, skill development, non-conventional energy, healthcare etc. This will also help for the students & youth of this district for shifting their focus from Job Seeker to Job Creator thereby realizing their dream of a successful professional career through Self Employment and contributing to the economic development of the region.

We have proposed to conduct a workshop; on 30th April 2023 in Nagaoon at Nowgong College, Christianpatty, Nagaoon - 782 001, Assam, India. It is an initiative to promote an environment of constructive deliberations and follow up action towards the realization of inclusive growth in regions that have so far lagged behind in catching up with India's growth story. Consequently, it will also feature deliberations on development of Startups & Entrepreneurs in agro-horticulture sector, affordable housing, mini urban clusters, tourism, education, skill development, non-conventional energy, healthcare etc.

Forums like Swavalambi Bharat Abhiyan can best achieve their envisioned objective only with proactive support from the thought leaders of government and private sector agencies associated with inclusive growth. We wish to reiterate that your support and blessing will significantly strengthen our initiative to promote the spirit of entrepreneurship and an investment destination in the region. We therefore, request your blessings for the Workshop by being an esteemed Guest along with your Placement & Entrepreneurship Development Cell on 30th April 2023.

Warm regards.

Remark from the supervisor:-

As a beginner, Miss Pinki Das done well, but, yet to learn how to start a class and what should be delivered to student

Asked her to give the students what she knows about the topic, but not what written in the book and for that she has to study over the topic to be taught.

E-Monitoring for Student Retention

Objectives:

- To track student attendance digitally on a real-time basis.
- To identify at-risk students at an early stage and provide timely intervention.
- To establish a structured three-level response mechanism for student absenteeism.
- To strengthen the bond between the institution, students, and their families.
- To promote inclusive education and reduce institutional dropout rates effectively.

Kampur College, Nagaon, Assam, serves a predominantly rural student population from socio-economically disadvantaged backgrounds. Challenges such as seasonal flooding, agricultural engagements, financial constraints, and low family awareness about higher education frequently contribute to irregular attendance and student dropout.

The traditional manual attendance system was inadequate in flagging prolonged absences in a timely manner, often resulting in students silently dropping out without any institutional intervention. This contextual reality necessitated the design and implementation of a robust, technology-enabled E-Monitoring Mechanism to bridge the gap between classroom absence and institutional response.

Kampur College has implemented a comprehensive E-Monitoring Mechanism for Student Retention, where attendance is recorded and monitored through an online digital platform. The system generates automated alerts based on the duration of a student's absence, enabling a structured three-level intervention:

Level 1- Personal Contact: An auto-generated list of students absent for three or more consecutive days is prepared. The concerned teacher or class coordinator personally contacts the student to understand the reason for absence and encourage return.

Level 2- Parental Notification: If a student remains absent for more than one week without submitting any application or reason, the college immediately informs the parents or guardians through phone calls or written communication.

Level 3- Home Visit: In cases of prolonged absence exceeding three weeks, designated college representatives conduct a home visit to understand the underlying cause, counsel the family and facilitate the student's return to college.

The uniqueness of this practice lies in its combination of digital monitoring with human outreach, ensuring that technology serves as an enabler rather than a substitute for personal care. A key constraint faced during implementation was ensuring consistent and accurate online data entry by all departments, which was addressed through faculty orientation sessions and periodic audits of attendance records.
