## Welcome to Kampur College

### Down The Memory Lane:

Kampur College of Nagaon district is a propitious institution offering Arts courses under Gauhati University for degree programme. The college is situated in Kampur town, the southern part of Nagaon District, with the river Kapili flowing nearby. Kampur is located at 26.20°N 92.63°E and it has a population of 2,23,815 (Census Report, 2013). According to Census of India, 2011 report the literary rate of Kampur town is 88.28%, which is higher than state average of 72.19%. Kampur College has played a major role behind this significant percentage of high literary rate of Kampur and the nearby area. This college is at a distance of 30 Km from Nagaon bypass of the East West Corridor and is well connected by routes. The nearest railway station to this college is Kampur station, which lies at a distance of less than one kilometre.

In the early sixties, a group of post graduates from Kampur area dreamt of a college in Kampur. These youths, namely Hira Barthakur, Sabharam Mazumdar, Gahit Chandra Saikia, Soru Ram Laskar, Juga Bora and Magu Bordoloi discussed about this with their friends and teachers residing in the hostel of Kampur H.S. & M.P. School. These teachers including Sri Chittaranjan Sarmah Roy, Netrahash Goswami, Bilin Dutta and Uma Kalita not only welcomed the youths' admirable endeavor but also promised to support them in attaining their target.

In their quest for a mentor the public-spirited youths fortunately found the most valuable guidance from the then principal of ADP College late Md. Abdul Hye. According to his esteemed suggestion, a coaching class consisting of female students was started from July, 1967, with an arrangement that they would appear in P.U. Final Examination of 1968 through ADP College, Nagaon. Meanwhile, a committee to supervise the functioning of the coaching classes was formed with Sri Juga Prasad Bora and Sri Hira Barthakur as the president and secretary respectively while Sri Rudra Borah, Upen Bayan, Saruram Laskar, Magu Bardoloi, Kalyan Chakraborty, Chittaranjan Sarmah Roy, Bishwa Borah, Gahit Chandra Saikia, Sabharam Mazumdar and Uma Kalita as its members.

The commencement of the coaching classes was the crucial juncture leading to all subsequent activities taking place in quick succession. Those in management were constantly at work trying to fulfil pre-conditions that would pave the way for the college to be born. To the satisfaction of all concerned, the Executive Council of Gauhati University accorded the much awaited permission to start the formal college with Pre-University (Arts) Classes from the session 1968-69 and with this Kampur College came into existence.

After getting the permission from the university, the coaching classes ceased to exist and regular P.U. classes for the session 1968-69 were held in Swaraj Bhavan, a public hall at the heart of the town. Sri Krishnananda Sarmah Barua, M.A. (English) was appointed the principal on 15<sup>th</sup> July, 1968 and he remained in that post till his retirement on 28<sup>th</sup> February, 1996. The tireless efforts of the Managing Committee were paid back well when the college was allotted 40 bighas of land out of the grazing reserve lying to the west of Kampur. Immediately after that, the foundation stone of the college building was laid on 20<sup>th</sup> March 1969 by Dev Kanta Baruah, the then Oil Chairman.

To construct the college building on its allotted land a massive fund collection drive was undertaken during 1969-70 in Kampur and its nearby areas. In an unprecedented way, the local people responded spontaneously with their contributions to the collection campaign. With the money thus collected, the Building Construction Committee, under the guidance of the Secretary of the committee Sri Laksheswar Gohain undertook construction works very soon. Eventually, a tin-roofed concrete institution emerged on the college land and the classes were shifted to it in the beginning of the new session of 1970. Then in 1973, the Managing Committee was replaced by College Governing Body, constituted by the govt. of Assam. The president of the first GB was Punaram Borah and Jageswar Borah was its secretary. As there was no govt. grant forthcoming, the fund position had to be revitalized from time to time with the donation and fund collected through the theatre and cinema shows organised in aid of the college. Still, the sources to meet various requirements remained limited. In the meantime, the college was granted affiliation up to BA 1<sup>st</sup> year in 1975. Another important occurrence took place in July 1976 when the college received an ad-hoc grant of Rs. 1000 per month and it was enhanced to Rs. 3000 in 1977. However, after eleven long years, all heaved a sigh of relief when in July 1979 the college was brought under deficit grant-in-aid system.

Kampur College has already completed 51 years of its existence and, within this period the College has made relatively slow but noticeable progress. At present, the college imparts undergraduate level of education with facilities for Major courses in Assamese, Economics, Education, English, Geography, History and Political Science. The college has been assessed and accredited by National Assessment and Accreditation Council (NAAC) with C++ Grade in 2005. The college has been registered under section 2(f) and 12(b) of the UGC Act.
